

Homework Five

Calculus I

College of the Atlantic

Due Friday, October 14, 2022

There is one part to this assignment.

Part 1: WeBWorK. Do Homework 05A and 05B on WeBWorK. The WeBWorK page is here: <https://webwork.runestone.academy/webwork2/coa-feldman-es1024i-fall-2022/>. I recommend doing the WeBWorK part of the homework first. This will enable you to benefit WeBWorK's instant feedback before you do part two.

Part 2: Non-WeBWorK problems. Here are some instructions for how to submit this part of the assignment.

- Do the problems by hand using pencil (or pen) and paper. There is no need to type this assignment.
- Make a pdf scan of your work using genius scan or some similar scanning app. Please make the homework into a single pdf, not multiple pdfs.
- Submit the assignment on google classroom. Please don't email it to me.
- If you want, you can do the non-WeBWorK problems in pairs and submit only one assignment for the two of you.

There are no non-WeBWorK problems this week.
