

Homework Five

Calculus II

College of the Atlantic

Due Friday, April 16, 2021

There are two parts to this assignment.

Part 1: Edfinity. There are no Edfinity problems this week.

Part 2: Problems from the Textbook. Here are some instructions for how to submit this part of the assignment.

- Do the problems by hand using pencil (or pen) and paper. There is no need to type of this assignment.
- Make a pdf scan of your work using genius scan or some similar scanning app. Please make the homework into a single pdf, not multiple pdfs.
- Submit the assignment on google classroom. Please don't email it to me. (Between my two classes I will be receiving around 30 assignments a week. Keeping track of them all in email is challenging.)
