

# Homework One

## Physics I

### College of the Atlantic

Due Friday, September 17, 2021

There are two parts to this assignment.

**Part 1: Edfinity.** Do Homework 01 which you will find on your edfinity account. I recommend doing the edfinity part of the homework first. This will enable you to benefit edfinity's instant feedback before you do part two.

**Part 2: Problems from the Textbook.** Here are some instructions for how to submit this part of the assignment.

- Do the problems by hand using pencil (or pen) and paper. There is no need to type of this assignment.
- Make a pdf scan of your work using genius scan or some similar scanning app. Please make the homework into a single pdf, not multiple pdfs.
- Submit the assignment on google classroom. Please don't email it to me. (Between my two classes I will be receiving over 45 assignments a week. Keeping track of them all in email is challenging.)

The problems you should do are from **Chapter C1** of the book (pp. 21–22):

1. **Chapter C1:** C1B2, C1S5
