

Physics III
Homework Two
Due Friday 6 April, 2007

Chapter 2, Styer:

1. On page 10, Styer writes “This story illustrates that ‘explanation’ means ‘explanation in terms of something more fundamental.’”
 - Give an example of something about which this statement is true, and something about which this statement is false. Write a paragraph about each, clearly explaining your reasoning. OR
 - If you think Styer’s view is always correct or always incorrect, write a few paragraphs explaining why you think so.
 - If you disagree with Styer for some even more fundamental reasons, write a few paragraphs explaining why you think so.
